SERVICES

Since the beginning of April, A Moment of Magic as a whole has reached 288 children through Hotline Calls and Wonder Wheels visits. Just in June, over 10% of the total number of children met by A Moment of Magic were reached from our Wisconsin-based volunteers!

Hotline Calls

As a national team, we were able to reach more than three kids per day through Hotline Calls! These virtual visits allow our volunteers to video call a child anywhere in the world and talk, read a story, play a game, or sing a song to give each child a unique experience with a character they’ve come to love. All of our characters are available for hotline calls and are available to be booked HERE!

Family Shopping

Our Family Shopping services are still available in the Madison, Milwaukee, Sheboygan, Green Bay, and Twin Cities areas. If you or someone you know is in need of assistance when running errands or to the grocery store, please reach out to amom.uwevents@gmail.com to be put in contact with one of our volunteers in your local area.

Wonder Wheels

This month, we had a few of our volunteers visit neighborhoods in the Twin Cities on a Wonder Wheels parade. Wonder Wheels visits allow our volunteers to be driven around neighborhoods dressed as their characters and visit with children from a safe distance. If you’re interested in having our volunteers drive through your neighborhood, please reach out to amom.uwevents@gmail.com and we will have some of our volunteers come visit.

INTERESTED IN JOINING AMOM?

If you are attending college in the Fall of 2020 at UW-Madison, UW-Milwaukee, or Marquette University and are interested in becoming a volunteer at our chapter, reach out to us at amom.wisconsin@gmail.com and we’ll let you know what you can do to get started!
MEMBER RESOURCES

Our Nationals team and Wisconsin team have been working on many resources for AMOM members nation-wide. Many of these are ready to be used, so check them out to see what will be helpful to you!

Monthly Meetings

We are so proud of all of our volunteers and can’t wait to see what else we all accomplish this summer.

We are still holding monthly general body meetings via Zoom with virtual socials afterward! Keep an eye on Slack to vote one which days work best for you. We loved seeing so many of you at our June meeting on the 23rd and hope we’ll see even more faces at our meeting in July!

If you did miss our last meeting, feel free to catch up on all of the updates we discussed by reading our meeting minutes, now available on our website. Click HERE and scroll down to the “Meeting Minutes” section to get caught up!

Volunteer Portal

If you’re looking for additional resources, AMOM-related and non-AMOM related, then check out the Volunteer Portal now available HERE or at the bottom of the “Chapters” page on A Moment of Magic’s website. This portal gives you access to resources such as volunteer scholarships, the Mindfulness App, Slack tips and tricks, college student discount codes, character databases, and more! Reach out to Paige to get the password to this amazing resource!

Member Recruitment

Because we still aren’t sure what our Fall 2020 semester will look like, we are starting to recruit new members through Facebook and word of mouth! If you know someone who is interested in volunteering with AMOM, ask them for their email, and we will contact them with more information and steps on how to join!
CHARACTER OF THE MONTH

We are super excited to announce that our June Character of the Month recognition goes to Allison Spears! Allison took charge this month and went on a Wonder Wheels visit and completed multiple Hotline Calls. On top of that, Allison is one of our new Spring 2020 coronated characters. We are so excited to see Allison continue to spread joy in the coming years.

MAGIC MAKER OF THE MONTH

We are also super excited to recognize Payton Mason as our Magic Maker of the Month for June! Payton has been patiently waiting for the arrival of her full costume so she can attend visits in character, but in the meantime, she has been assisting on Wonder Wheels visits as a Magic Maker and lending our chapter her beautiful painting skills for a customized water bottle fundraiser. Payton, you are so appreciated in this organization, and we are so excited to see what else you accomplish through AMOM.

LOOKING FORWARD

We are going to continue completing Hotline Calls and Wonder Wheels visits throughout July, so please reach out to us at amom.uwevents@gmail.com to schedule a Wonder Wheels parade or check out the Hotline Call Calendar HERE to book a personalized call with any of our characters!
