May Newsletter
Here’s a look at what our chapter at A Moment of Magic - Wisconsin accomplished throughout the month of May.

SERVICES

Hotline Calls
Because of the current restrictions on in-person visits due to the Coronavirus pandemic, our organization has seen a dramatic uptake in Hotline Calls. These are visits that allow our volunteers to video call a child anywhere in the world and have a 30-minute conversation with them. All of our characters are available for hotline calls. To book a call click HERE to view the hotline call calendar and find further information for bookings.

Family Shopping
We understand how scary and uncertain things are right now, so we want to help out families in the Madison, Milwaukee, Sheboygan, Green Bay, and Twin Cities areas who may be vulnerable and need a volunteer to help them with errands or grocery shopping. We have volunteers in all of these areas who are able to go out and complete your shopping and safely bring it back to you so you don’t have to forgo any unnecessary risks. If you are interested in our Family Shopping services, please reach out to amom.uwevents@gmail.com to be put in contact with one of our volunteers in your local area.
Wonder Wheels
Our chapter has also started doing Wonder Wheels parades to visit children face-to-face but from a safe distance. During these visits, a few of our characters are driven around local neighborhoods in the Madison and Milwaukee areas and are able to wave quickly and say hello. If you’re interested in having our volunteers drive through your neighborhood, please reach out to amom.uwevents@gmail.com and we will try to set up a Wonder Wheels parade.

CORONATION
Even though we weren’t able to celebrate in person, we virtually welcomed 10 new members into our character family at the University of Wisconsin. We are so excited to see what each of these new members accomplishes in the coming years and are so lucky to have them be a part of this organization. Many of them will soon be available for hotline calls and Wonder Wheels visits in your area!

#GivingTuesdayNow
On May 5th, our chapter participated in #GivingTuesdayNow to raise money for our national organization. In just 24 hours, our chapter collectively raised $2,009.50, which was the second-highest amount raised by one chapter. We want to sincerely thank every single person who donated to one of our volunteers. All of the money raised is helping children across the country, and we cannot thank you enough for contributing to the magic-making.

CHARACTER OF THE MONTH
Our Character of the Month for May was Isaac Otte!! Isaac has been extremely diligent in signing up for Hotline Calls, attending Wonder Wheels visits, and always approaches visits with wonderful characterization and high energy. We are so lucky to have Isaac at our chapter in Wisconsin and can’t wait to watch him spread even more magic throughout the next few years!
MAGIC MAKER OF THE MONTH

Our Magic Maker of the Month is Andi Krawczyk! Andi always has a positive attitude and constantly brings new ideas to our chapter. She has worked very hard to keep the magic going even throughout the Coronavirus pandemic, and we are so appreciative of everything she brings to our organization!
